Button Badge Machine Hire

- * A simple, creative & fun activity
- * A stimulating teaching aid
- * A very low-risk, sure-fire fundraising idea

Machine Hire Rates

\$39 for the first day
\$5 for each extra day

Badge Parts

	Cost Price	R.R.P.
*Pin badges	\$1.00 each	\$3.00
*Mirror & Keyring badges, 43mm Magnet badges.....	\$2.00 each	\$6.00
*Mirror-Keyring and Bottle Opener badges.....	\$2.50 each	\$7.50

***** You only pay for what you use *****

The hire machines are available in 25mm, 43mm and 57mm diameter.

Badge parts are supplied in bags of 50 or 100.

All unused parts that are returned, even one or two, are not charged for.

The number of unused metal pieces returned determines the number of badge parts used.

Inexperienced users may make a few duds now and then but the instruction sheet is adequate enough to turn any beginner into a real professional within minutes.

Feel free to ask for a free demonstration.

Payment

We do not require any deposit or up front payment but payment must be made on return of the machine unless you already have a credit account set up with us.

What is supplied?

A Badge making machine, circle cutter, cutting board, instructions and badge parts.

Advanced Preparation

Preparing the artwork in advance can save time but it is important to get the dimensions and layout correct. See our "Button Badge Artwork Guide" for more information.

Encourage people to bring their own images (of the right size) and prepare line drawings to photocopy ready for children to colour in. The day before a fair it is a good idea to pre-cut any popular designs that will get frequently used.

Pick-up & Freight

Deliveries to Tasmanian areas outside Hobart are sent by Australia Post at a cost of \$20. Machines are to be returned at the hirees cost and at the hirees risk. To avoid any loss of machines and the subsequent costs, we strongly recommend using registered post or a trackable delivery service.
